(Example: May 2012)

Have you filed a 2011-2012 FAFSA? (Circle one): Yes No

(If "no," you must file the 2011-2012 FAFSA by April 1, 2011 in order to receive financial aid for the summer semester.)

I plan to enroll for _____ credits during the 2011 summer semester.

For the Summer 2011 Term, all students, regardless of semester level, may use their Berklee scholarship and grants for full or part-time enrollment. Students choosing to attend part-time will still need part-time approval from the Counseling and Advising Office and will be subject to the [part-time proration policy](#) for all of their institutional funds. Berklee scholarships that cover housing are excluded from this policy (Presidential, SGAE, Africa Scholars & Slaight Family Scholarship).

Federal funds are awarded based on your enrollment. A minimum of 6 credits is required to qualify for Stafford Loans.

Please list any outside sources and amounts of aid, scholarships, tuition remission, etc. you will receive for the summer semester:

Summer 2011, What I Need to Know

- Your summer Cost of Attendance (see chart below) represents the maximum amount of financial aid, scholarships, grants, loans, and other resources that I can receive for the semester. Your Cost of Attendance is made up of both direct (tuition, on-campus housing, health insurance, and fees) and indirect (off-campus housing, books and supplies, loan fees, and transportation) costs and does not only reflect those charges that will appear on your Berklee bill.
- You can monitor the status of your financial aid awards online at **my.berklee.net** by clicking on *Student Services > My Finances > My Aid > 2011SU*. “Pending” aid and loans cannot be used to check-in purposes and will not be deducted from your bill. If aid is pending, you should check *My Documents* to verify that the Office of Financial Aid has received all requested materials from you.
- Summer bills will be mailed on April 18. Additionally, you can view your bill online at **my.berklee.net** under *Student Services > My Finances > View My Statement*. Tuition bills are due in full by May 13. If you pay later than this date, a \$250 Late Payment Fee will be added to your account.
- You should regularly monitor your ability to Check-In for summer 2011 online at **my.berklee.net** under *Check in and Orientation > Online Check-In*. Online check-in begins on May 17 and ends on May 20. If you check-in later than May 20, a \$250 Late Check-In Fee will be added to your account.
- If you plan to enroll for fewer than twelve credits, your aid eligibility may change. *Your summer aid may be revised to reflect your enrollment status when Add/Drop ends on May 27.*
- The first round of summer refund checks will be available after the end of the Add/Drop period. You can confirm whether or not you qualify for a refund check online at **my.berklee.net** under *Student Services > My Finances > View My Statement*.
- The OFA is available to answer any questions that you may have: 1-800-BERKLEE or financialaid@berklee.edu.
