SUMMER or FALL SEMESTER: APRIL 1ST    SPRING SEMESTER: NOVEMBER 1ST

How do I know if I need a new I-20 from Berklee?
You will need a new I-20 from Berklee if...
✓ your last semester enrolled as a full-time student at Berklee was the Fall 2012 semester or earlier.
✓ your SEVIS record (I-20) was transferred to another school in the U.S.
✓ your SEVIS record (I-20) was terminated/cancelled for another reason.

How do I know if I need to apply for a new F-1 visa?
You DO need a new visa if your current F-1 visa stamp is expired.

Even if you do currently have a valid F-1 visa stamp in your passport, you may need to get a new one. You must contact the US embassy in your home country to ask them if you need a new visa.

*Note: Citizens of Canada or the British Overseas Territory of Bermuda are not required to apply for an F-1 visa.*

How do I get a new I-20?
You must submit the following documentation:
1. Returning Student I-20 Request Form
   • Make sure to print clearly, as the information you provide will be used to mail your I-20 to you.
2. Financial Documentation
   • Please see the enclosed Estimate of Expense sheet for a list of acceptable documentation and the amount you need to show.
3. Affidavit of Support
   • If someone other than you will be paying your education bills, each of your sponsors must sign a separate Affidavit of Support. Please refer to the sample letter on the enclosed Estimate of Expenses sheet.
4. Scholarship Letter
   • If you have been awarded a scholarship from Berklee or from another source, please include a copy of the award letter.
5. Photocopy of the information page of your passport
   • This allows us to confirm that all information on your I-20 is correct. Please send a clear, legible copy.

What is the best way to submit my I-20 request documents?
Scanning and emailing your documents as a PDF attachment to returningstudents@berklee.edu is the quickest and most reliable way to submit your documents to us. You may also send them by fax to the Returning Student Coordinator at +1-617-747-8520.

Please do not send your original documents to us. You must keep the originals for your visa interview and/or to show the immigration official at the port-of-entry.
Once I submit my documents, how long will it take to receive my new I-20?

It can take up to three weeks for an I-20 Form to be issued and delivered to most countries.

Please submit your documentation as early as possible to ensure that you have your I-20 in time to apply for a student visa and/or travel to the US. 
You will not be able to begin your studies at Berklee until you have obtained both a Berklee I-20 and F-1 visa.

Once I receive my I-20, what should I do next?

Step 1: Pay the $200 SEVIS fee online. 
You must have your I-20 before you can pay the SEVIS fee. Instructions for payment will be mailed to you along with your I-20.

Step 2: Determine if you need to apply for a new F-1 visa.

Step 3: If you do need to apply for a new F-1 visa, make an appointment at the US consulate/embassy in your area.
Although applicants for F-1 visas are given priority for visa interview appointments, you must consider the time it will take to process your visa and return your passport to you.

You can check the visa waiting times for each U.S. Embassy/Consulate by following the link below: http://travel.state.gov/visa/temp/wait/wait_4638.html

Remember to bring the following things with you to your visa interview:

1. Confirmation of enrollment at Berklee College of Music.
2. I-20 Form
3. SEVIS fee payment receipt.
4. Funding documents - the same ones you submitted to Berklee for I-20 issuance.
5. Valid Passport (valid for at least 6 months beyond the date of your travel).
6. Proof that you intend to return to your own country after completing studies.

At the Port of Entry in the United States

• Do NOT enter the US on a tourist (B1/B2) visa.
• Keep your I-20, passport, and important documents in your carry-on bag. You will need them to show the immigration official upon your entry into the US.
• Double-check your documents before you leave the immigration official:
  • Make sure page 1 of your I-20 is stamped and reads, “F-1, D/S” in the stamp.
  • Make sure the officer has returned your portion of the I-94 card, and that it is stamped as above.
