Accessing Lynda.com

Step 1: Create Your Lynda.com Profile

Before you can log into Lynda.com and begin your learning experience, you must first create a profile for their website.

Very Important - You must create your lynda.com profile while you are on campus and connected to the Berklee network!

Creating a Profile

1. Open up a web browser on your computer. Remember, you must be on campus.
3. Click on the the Log in link.
4. Select the Create Profile link.
5. Complete the required fields. Be sure to use your berklee.edu email address as your username.

Step 2: Log Into Lynda.com

Once you have completed the profile creation process, you can log into Lynda.com from any computer, anywhere and at any time.

Logging in

1. Open up a web browser on your computer.
2. Go to www.lynda.com
3. Log in using your new Lynda.com profile credentials.

If you have any questions regarding usage of Lynda.com, please contact the following help desks:
